Introducing Infinity Spray Granite V2

The next evolution of our industry leading granite effect system. Engineered with upgraded chemistry, V2 now delivers **increased adhesion, improved durability and enhanced versatility across almost any surface.**

Now available with **all new colour codes**, Infinity Spray Granite V2 offers a wide design range with incredibly realistic stone finishes. Whether you are coating:

- ✓ Internal / External Walls
- ✓ Floors,
- ✓ Metals,
- ✓ PVC, UPVC, Plastic
- ✓ Timber,
- ✓ Furniture
- ✓ Architectural features,

V2 provides a seamless and extremely durable granite effect with minimal maintenance.

With our breakthrough **Infinity Thixx Additive**, you can now trowel the system onto horizontal or vertical surfaces, creating application possibilities never before achievable with spray granite.

Infinity Spray Granite V2 is fast drying, odour free, non toxic and formulated using our eco driven coating technology. The system is waterproof, UV resistant, anti fungal, alkali resistant, chemical resistant, non fading and built for long term performance in harsh environments.

Infinity have created Granite Systems for everything imaginable and V2 advances this even further.
